Geography

International Journal of Research in Arts and Social Sciences is published twice yearly by the Society for Research and Academic Excellence, University of Nigeria, Nsukka.

The aim of the Society is

- a) Encouraging sound academic excellence in society through active research publications on the internet
- b) Changing society through academic leadership in humble services to communities
- c) Changing the political climate in Developing Nations through intellectual empowerment for service
- d) Organising Symposiums, Awards, Rallies to challenge social ills, oppression of the poor, less privileged and the downtrodden
- e) Delegating members and awardees to government agencies to speak for the less privileged and also to challenge injustice, corruption, and abuse of Human Rights
- f) Carrying out and publishing research to empower people for job creation and Poverty Eradication through creative Education and skill development
- g) Encouraging and promoting altruistic participation in politics

Well researched articles for publication must be original, not published elsewhere and sent to the Editor online as attached document. Seasoned peer reviewers assess articles before they are accepted for publication. For details:
